Scarborough Arts – UPDATE ON COVID-19 (CORONAVIRUS)

In light of recent updates regarding the novel coronavirus (COVID-19), Scarborough Arts (SA) has opted to take protective measures to aid in controlling and containing the spread of the virus. **As such, we will be doing a blanket closure of all programs commencing Monday March 16, 2020 until further notice**, in alignment with the provincial school board closures, health and governmental authorities. We anticipate a public closure until at least **April 14, 2020**, and will keep you posted on any further changes as new information becomes available.

Our offices, programs and Bluffs Gallery will be closed to the public. During this time, we are requesting all of our team members work remotely and limit social contact. The staff will continue planning, administration, and coordination of upcoming programs which will proceed as usual. As a result, we will be pausing all in-person meetings, instead asking that we continue our engagements by phone or email. Our plan enables us to continue with our commitment to providing a high level of service to our stakeholders, while keeping in-line with the direction of health and governmental authorities.

Please expect delayed response times to emails and phone calls due to our internal efforts to respond to adjusting work flows amid this health circumstance. **Please note:** access to Scarborough Arts' general phone line will be limited and we encourage email communications. To reach us please contact:

Thank you for your cooperation and flexibility as we continue to manage these public health events. We understand the concerns and continue to do all that we can to support you and our entire community during this challenging time.

We look forward to continuing to serve you and wish you all the best in health.

Sincerely,
The Scarborough Arts Team
